

IT'S EASY TO GET IN, where there's a sluggish liver, for any of the germs of disease that surround you. If your liver were active and healthy, it would keep them out of your blood. You'll have to watch your liver for self-protection.

Just as soon as you see the first symptoms that it's wrong (eruptions on the skin, or a dull and worn-out feeling) you ought to take Dr. Pierce's Golden Medical Discovery. That will start wour liver into a healthy.

take Dr. Pierce's Golden Medical Discovery. That will start your liver into a healthy, natural action, purify your blood, too; it will brace up your whole system, and give you strength and color, and put on needed flesh-not fat, but wholesome, necessary flesh.

Milford Centre, O.

Dr. R. V. Pierce: Dear Sir - I heartily recommend your "Discovery" to any person suffering from general debitity as the best thing they can take for it. After taking the "Discovery" I am happy to say I never felt better in my life than I do now.

place and Lothair, Montgomery county, where she lives, twenty miles away. She drove a fiery Texas bronco hitched to a tiny road cart, and went over the route tri-weekly, rain or shine, all by herself. The road lay through a wild and sparsely settled section, but she never feared any danger. At her side in a small pocket, the butt fully exposed to view, was a handsome 38-calibre revolver of the most approved model, and, as she was known to be a crack shot, she was not often molested. Up to a short time ago she carried shot, she was not often molested. She resides with her widowed mother

and is the real head and director of the family. For the last five years she has superintended all the work on the farm. She has helped to plant and harvest the crops and carried them to market, where her tact enabled her to secure the highest prices. Being in a tight place for money once, she went into the woods, cut a quantity of pine timber, had it hauled to the river, rafted it herself, and placed the raft in charge of her brother to be disposed of in the Darien lumber mar-ket. Every autumn she cut down trees, which she split into rails until she had a sufficient quantity to enclose a small section of the farm. She has taught in several writing schools.

During one of her mail trips she per-formed a most daring feat. It had been raining incessantly for a week, swelling the creeks and branches beyond the banks, and impeding travel. Mercer's creek, which Mattie had to cross on her route, was a roaring torrent. The long bridge which spanned the creek was in danger of being swept away. Mattie appeared on the scene and took a hasty survey of the situation.

"If there is any possible chance to get over," said she, "I intend to cross, come what may, even if I have got to swim the creek. The mail must go through."

She gave the spirited bronco a cut with the lash, sending it trotting swift-ly into the foaming water. It was over five feet deep around the abutments. Here the pony got entangled in some vines, and reared on his haunches, kick-ing vigorously until he was cut loose from the harness by the daring girl All this time she was struggling shoul-der deep in the water. By skilful managuvring, and at the peril of her life, she lifted the road cart by sheer force out of the water on to the bridge which was almost affoat, and crossed to the opposite side, swimming part of the way, with the vehicle ahead of her. She arrived all right and got the mail through.

URING the months of December and January, she operates a "blind tiger" in a small shanty in front of her mother's resi-dence, at least that is what the grand jury thought when they findicted her.

She was not prosecuted, however. Two years ago, learning that the revenue officers were on her trail, she dis-guised herself in male attire and assumed the name of Bill Jones. In this mas-querade she travelled through several States without anybody penetrating her disguise. During the execution of the five Scuffletonians at Mount Vernon near Condor, last September a year ago, she sold a large amount of liquor publicly to the people. She was not molested.

There is good reason for the popularity of Chamberlain's Cough Remedy. Davis & Buzzard, of West Monterey, Clarion co., Pa., say: "It has cured people that our physicians could do nothing for. CHINA AND GLASSWARE.

317 KING STREET.

One more day of shopping, and the rush will be over. Just one word for this last day. We have wired two factories for Banquet Lamps and Tables; and they will be here MON-DAY. The demand has ex-hausted our supply; and if our prices were not lower than other dealers, this would not have been the case. As it is in this line, so is it in all others. When you buy China and Glass you want to be sure that you are getting it good; and a regular dealer in this line knows his business and you feel safe in buying of him. Then remember that on this coming Monday you want to finish up your shopping with us. Look us over, we have bargains left yet; and you can secure them. If you have been to Washington looking round, then we especially inv'te you to round, then we especially invite you to come in and compare with our prices. You will be surprised when you do this, to find we are offering the very best
